AMENDMENT/REPLY

Dear Sir:

In response to the Office Action mailed February 26, 2003, Applicants respectfully request that the referenced patent application be amended as shown below.

In the Claims:

1. (Amended) A system for bypassing an aneurysm comprising a first prosthesis and at least one second prosthesis communicating with the first prosthesis, said first prosthesis comprising a conduit defining a single fluid flow path[;] and a compressible gasket positioned in an interior of the conduit, the gasket including at least one aperture for receiving the at least one second prosthesis to create a fluid flow path, wherein said second prosthesis is configured to provide a
